CWP No.163 of 2005

12.11. 2007 Present : Mr.Subhash Sharma, counsel for the petitioners.

Mr.M.S.Chandel, A.G. with Mr.R.M.Bisht, Dy.A.G. for respondents 1 to 4.

Mr.Shrawan Dogra, counsel for respondent No.5.

This petition has been filed in the public interest. According to the petitioners their village is in a remote and inaccessible corner of the State which is virtually surrounded by water most of the year. There was lack of health, educational, electricity and transportation facilities. During the pendency of the petition pursuant to the orders passed by this Court from time to time some electricity, transport and health facilities have been granted to the petitioners. However, prayer of the petitioners for upgradation of the school from Middle to High has been rejected by the Secretary(Education) by a speaking order.

Keeping in view the various orders passed from time to time as well as the action taken by the Government from time to time we feel that nothing fruitful will be served by keeping this petition pending. The petition is therefore disposed of with liberty reserved to the petitioner to agitate the matter afresh on the basis of the cause of action which has now arisen during the pendency of the writ petition.
